The Voice of Virginia Baptist

"Church Reset" **REPOSITIONED FOR THE WORK**

Matthew 9:16-17

*To the Member Churches, Associations
and Individuals of the
Virginia Baptist State Convention, Inc.*

Greetings in the All Powerful Name of Our Christ. WOW! According to the record, never in the history of our Convention have we had to cancel our annual May session. And I must say it has been a long time since we have been able to fellowship in person and the fact that you are reading this is a testimony that God has kept us. It's still hard to grasp that we are in the midst of a global pandemic. Not only has society been affected, but churches and church leaders are experiencing some of the greatest pains and challenges ever. This is why I was adamant about having a Mid-Year Session this fall!

Our faithful followers need assistance, and our 2020 MYS will focus on helping us navigate through this ever changing and unsettling process as we strive to be relevant while incorporating best practices into our worship and ministry contexts.

While none of us have ever served ministry through a pandemic, I do feel that we are accountable to those we serve to do our best to create opportunities for growth, development and change. We believe that this virtual session will give you practical yet spirited engagement, that will push you to your next place. Please know, the utilization of technology, social media and these type outlets are not going away, so we must reposition our church models to place new wine in new wine skins (Matthew 9:17). JOIN US as we help you to preserve, protect and reposition the church of Christ!

ALL of our sessions are free, so invite your church families to share in these powerful sessions. I only ask that if you have not already, please send in your annual church registration to remain a registered church and in order to further support our work. I truly look forward to interacting virtually with you!

Charles R. Whitfield
President of The Virginia Baptist State Convention, Inc.

Statement of Gratitude *The Children's Home Of Virginia Baptist, Inc.*

We give praise to God for His continued blessings and protection of the Children's Home of Virginia, Inc. in the midst of these troubling times. He has truly been our deliver and we are grateful for being a part of His Kingdom work.

God demonstrated His awesome power and love for the Children's Home on July 11, 2020 at the virtual Founder's Day Celebration of Prayer. He touched the hearts of His people throughout the state of Virginia to donate approximately \$76,000.00 to the Home. These funds will be used to continue the process of fulfilling the vision of our founders to meet the needs of vulnerable children within the state of Virginia.

As we commemorate our 73rd year since Dr. Dodd was inspired to start an orphanage on these hallowed grounds, it is our desire to continue to develop and implement ways to improve the lives of children in our community and state. To that end, we continue to invite you to join us on this God-given assignment by committing to help support the work of the Home financially.

We thank you for your financial support and your prayers as we continue to establish the Children's Home Legacy and its vital role in making a difference in the lives of families throughout the State of Virginia.

Thank you for your support and prayers.

May God continue to bless you.

Congress of Virginia

2020 "Virtual" Annual Session

God truly blessed The Baptist Sunday School and Baptist Training Union Congress of VA this year as we hosted our **first** virtual session!

We offered 4 CLS certified classes, 2 daily seminars on faith and discipleship, daily lectures about doing ministry in our current context, as well as a 3 day youth conference that addressed the youth holistically, all on the ZOOM platform! We had 13 youth registrations and 76 adult class registrations! Our students were able to access their classes easily and gave incredible feedback on their instructors and class content! Though we miss our time of fellowship and worship together in person, we are grateful that God granted us the grace to continue to offer quality Christian Education to the constituents of The Virginia Baptist State Convention.
